My name is Shannon I was born and raised in Cumberland. In 2001 I opened Capelli salon. We are a full service salon, offering hair and nail services as well as massage and tanning. We are located in the beautiful building between the tower house and US Bank on Main Street in Cumberland. Currently there are five stylist that work at the salon. We take pride in making our customers look and feel their best. The building was bought by my husband, Stacey, and myself in May 2022. Our first objective was to refresh the three bedroom apartment, located upstairs and find an occupant. Now we would like to address the outside of the salon on the first level.

Q10. What is the plan for using the grant money (How will it be used)?

Our plan for using the grant money is as follows:

1. Our front stairs need to be replaced. The cost of that would be \$3300. We would be using maintenance free decking.
2. Outside of the building, our fascia needs desperate repair and painting that would be a cost of \$5000 to \$7000.

Q11. Projected benefit of plan execution (e.g. viability of business, growth/expansion of business, impact on the community, etc...)

Although our front steps have become an iconic place to take senior pictures because of the rustic look. We would really like to replace them.

I believe that by making improvements to our building and not only benefits as a business, but also makes an impact on the beauty of our town.
