The Cumberland Chamber of Commerce aims to serve the City of Cumberland and its surrounding trade area in the matter of improving its economic status and building a better community. We host many events, in which most are free or low cost to the community put on by local volunteers. We rely on our bigger events to help generate revenue to continue to bring commerce to our local businesses and Chamber members. Although we have a limited staff we have a board of directors that are solely volunteers and most of which run local businesses right here in town that see the benefit of this business. We aim to utilize chamber members for purchasing products and services that are deemed necessary for our events.

**Q10. What is the plan for using the grant money (How will it be used)?**

The chamber office is in dire need of some updates internally, we currently have a restroom that is not suitable for public use and an area for a fitting room. We also have had some estimates done for general business enhancements. This grant would be beneficial to improve daily operations.

Q11. Projected benefit of plan execution (e.g. viability of business, growth/expansion of business, impact on the community, etc...)

The grant would update our building with a bathroom suitable for public use and enhance our space for better operations.
