Please include things like; type of business, number of employees, local suppliers used, what makes you unique or essential to our community.

For over 50 years, our family-owned auto body business has proudly served the Cumberland community with dependable, high-quality collision repair and customer service. With a team of four experienced autobody technicians, we are committed to providing trusted workmanship while supporting local families, businesses, and drivers throughout the area.

Q10. What is the plan for using the grant money (How will it be used)?

If awarded this grant, the funding will be used to update and replace the air line system throughout our shop. These improvements will help create a safer, more efficient work environment for our technicians while allowing us to continue providing quality auto body repair services to the Cumberland area for years to come.

P6 : Projected Benefit(s)

Q11. Projected benefit of plan execution (e.g. viability of business, growth/expansion of business, impact on the community, etc...)

As a locally owned business that has served the Cumberland area for more than 50 years, these improvements will allow us to continue providing high-quality auto body repair services to residents, businesses, and insurance customers. The project will help sustain local employment, strengthen our ability to remain competitive in the industry, and ensure that community members have access to trusted vehicle repair services close to home. Ultimately, this investment will position our business for continued success while supporting the economic health of the Cumberland community.
