Please include things like; type of business, number of employees, local suppliers used, what makes you unique or essential to our community.

I was able to purchase cumberland tire jan of 2023. i believe i am a great business for the community. i started with no help from any banks, and having 0\$ to my name. I started with 2 employees. now i am down to myself due to lack of funds. just recently i had almost cut off my 4 fingers on my left hand which left me to pretty much close shop. i havent been able to be open for the last 2 months so that left bills piling up. now i cant order tires for customers due to not being able to make payments.

Q10. What is the plan for using the grant money (How will it be used)?

pay off the charge accounts so i can order tires

Q11. Projected benefit of plan execution (e.g. viability of business, growth/expansion of business, impact on the community, etc...)

i will be able to order tires tires for customers and stay caught up on bills
