Please include things like; type of business, number of employees, local suppliers used, what makes you unique or essential to our community.

Hello my name is Angela McKenzie and almost 2 years ago I opened Tease Hair Studio and I have enjoyed working with the community and the amazing people in the community. I am a stylist on over 15 years and am new to being on my own and am a sole stylist under my business name. It's my passion to make others feel there best and see there beauty inside and out. It's a true struggle to be a new business and do as much local shopping and sourcing as possible. Cumberland is an amazing place to call home and I'm proud to be apart of the community.

Q10. What is the plan for using the grant money (How will it be used)?

To grow and expand with tools, equipment and products needed to run a successful business to the best of my ability. I struggle to cover expenses and have products on hand needed.

Q11. Projected benefit of plan execution (e.g. viability of business, growth/expansion of business, impact on the community, etc...)

To be able to successfully run my hair studio and continue to service the beautiful people of my community and contribute back to the community.
