We are a bar and bowling alley with 2 stages for live music and a large outdoor space in back. While I (owner) work daily to open and maintain the bar, we have a staff of 5 bartenders. Living in Cumberland for nearly 20 years I've seen that the Club has the most potential in town to offer space for outdoor music and entertaining! I purchased the bar in October 2025 and am hoping to make improvements to bring life back to the bar!

P5 : What is the plan

Q10. What is the plan for using the grant money (How will it be used)?

Improvements and upgrades to the outdoor area behind the bar such as a new stage for music and a covered pavilion for entertainment! If possible I would like to get a new awning for the front of bar as well.

Q11. Projected benefit of plan execution (e.g. viability of business, growth/expansion of business, impact on the community, etc...)

The addition of a covered pavilion will provide outdoor seating space during summer as well as winter months allowing plenty of shade and cover from rain and snow. This expansion utilizes the large patio space to offer covered seating, games, entertainment and rutabaga festivities. I feel the new and improved look will attract more use of visitors traveling by boat, UTV and snowmobiles!
