Q9. Please tell us about your business. Please be as specific as possible. If the form does not have enough space, please email additional pages to info@50peoplewhocare.org

Please include things like; type of business, number of employees, local suppliers used, what makes you unique or essential to our community.

We are a bar and restaurant that we have owned for 10 years. We are family owned and operated. Jenny and I, along with our daughters work in all aspects of the business. We also employ 7 part-time bartenders. We make our own pizzas with Louie's Pizza Sausage. We also buy product from Nilsson's grocery store. Any time we need work at the bar, we contract local tradesmen.

Q10. What is the plan for using the grant money (How will it be used)?

We would like to put a new front on the bar to update the look. The building is 100 plus years old on it needs to be brought into the 21st century. Along with the new front, the roof needs to be replaced. It has been leaking and patched on and off for 5 years and the patches aren't working anymore

Q11. Projected benefit of plan execution (e.g. viability of business, growth/expansion of business, impact on the community, etc...)

With the grant, we would put a new front on the building. Along with the new front comes insulation and a new roof on a portion of the bar. This improvement is a much needed upgrade. It will reduce heating and cooling costs. Fixing the leaks in the roof will extend the life of the rest of the building as well.
