Please include things like; type of business, number of employees, local suppliers used, what makes you unique or essential to our community.

We are a family owned business that includes a bar and grill. In addition to owners Brian and Jenny, our daughters are involved with the business making our homemade pizza made with Louie's Finer Meats pizza sausage. We have 7 part time bartenders to fill out 7 day a week operations. Each of them are a valuable asset to our community with our customers coming here to visit friends.

**Q10. What is the plan for using the grant money (How will it be used)?**

The grant would allow us to do a bathroom renovation to update fixtures and flooring. A clean bathroom is always good to have. Also, there is a wishlist that includes flooring in the bar area, a new bar top to match the high top tables surrounding the bar.

Q11. Projected benefit of plan execution (e.g. viability of business, growth/expansion of business, impact on the community, etc...)

With this grant, we can get projects done to make our place pleasing to our customers. Expanding the bar space will increase the number of customers. This bar has been a part of this community for over 100 years and we want it to stay for another 100 years.
